BOOK 1: *That Thing You Brew*

READERS' FAVORITE GOLD MEDALIST 2024 ROMANCE: COMEDY

"What makes *That Thing You Brew* stand out in the romantic comedy genre is its seamless blend of humor, heartfelt moments, and engaging character development. Xavier's journey is compelling, balancing his professional challenges with personal dilemmas, while Penny's evolution from a reserved barista to a pivotal character adds depth to the narrative. The plot intertwines their lives through witty coffee cup messages and shared moments, creating a slow-burn romance that keeps readers invested. Kerry Evelyn masterfully weaves multiple storylines, from the high-energy world of professional hockey to the cozy charm of the Bevvie Bar, making the setting both vibrant and relatable. Fans of the genre will appreciate the chemistry between Xavier and Penny, the stakes that drive the narrative, and the delightful mix of romance and comedy. With its unique premise, memorable characters, and a satisfying blend of tension and humor, *That Thing You Brew* is a must-read for anyone seeking a heartwarming and entertaining romantic escape."

BOOK 2: *Pumpkin Spice Spice Baby*

READERS' FAVORITE GOLD MEDALIST 2025 ROMANCE: COMEDY

"Kerry Evelyn's *Pumpkin Spice Spice Baby* is a delightful, playful, yet clean romcom. At the same time, this heartfelt, entertaining story has elements of drama and touches on serious topics of celiac disease and food intolerance. The realistic main characters endure many trials to become strong, dedicated professionals with an overwhelming sense of responsibility. It often feels like we are reading about real people with their pain, insecurities, and ambitions. Tasha and Monty become our friends, and we cheer for them to finally sort out their issues with each other. Evelyn skillfully depicts a true friendship between a man and a woman. The book gives hope to lonely and misunderstood people to find friends, such is the power of Evelyn's pen. The well-written, vivid dialogue adds to the emotional narrative the author presents from Tasha's and Monty's points of view. I highly recommend this novel even to those who usually avoid romance because it is so much more than just a simple love story."
