BOOK 4: Sun, Sea, & Blueberry Tea

READERS' FAVORITE 5-STAR REVIEW AWARD

"It feels like spending a week at the beach with friends and family. The writing is sweet and easy to sink into, and the setting is so vivid that I could practically smell the ocean air and blueberry treats. The characters are incredibly lovable, especially Isla and Amelie, whose camping adventures add humor and heart to the story. I also appreciated the way the author balanced romance with family relationships, making the emotional moments feel sincere without becoming overly dramatic. This is the kind of feel-good romance that leaves you smiling when you reach the final page and wishing you could spend a little more time in Crane's Cove. Overall, I would definitely recommend *Sun, Sea, & Blueberry Tea* to anyone looking for a good, light-hearted romance read."
